Highlights

Friday is Canadian Forces Day

All members of the Canadian Forces and their spouses are welcome to attend free of charge on Friday upon presentation of a valid identification.

Attend the Seminars

Take part in a wide variety of topics such as home heating, home décor, solar energy, indoor air quality and how the EnerGuide for New Houses program can put money back into your pocket.

Meet the Builders and Renovators

The largest gathering of award winning builders and renovators in Nova Scotia.

Transform your Vision into Plans

The Real Home Show 2009 will feature displays to meet all of your new home or renovation requirements and turn your visions into plans.

Visit the Cleaner Greener Building

This room will help you find more ways to make your home more energy efficient and environmentally friendly.

Complete The Real Home Show Survey

Don't miss the opportunity to complete a survey about The Real Home Show 2009 for your chance to win cash prizes.

Win your Dream Kitchen

Fill out a ballot for your chance to win a dream kitchen. The winner will receive a brand new kitchen and stainless steel appliances provided by Craftmade Kitchens and GE.

Help our Women's Council Feed the Hungry

Bring a non-perishable food donation or make a monetary donation at the Real Home Show 2009 for a chance to win a \$100 gift certificate to The Keg restaurant.

Seminar Schedule

Friday

2:00 – 2:30

Energy Efficient Heating Solutions

Scott Cameron of Nova Scotia Power will present energy efficiency heating options to meet your new home and renovation needs. Learn how making the right choice can save you energy and money.

3:00 – 3:45

Energy Efficiency for New Homes

Brian Hayes of Conserve Nova Scotia will be talking about building an energy efficient new home and how to do it right the first time.

4:00 – 4:45

Is You Builder TechReady?

Learn about TechReady, a joint initiative between Aliant and the Nova Scotia Home Builders' Association. Find out how your new home can incorporate technology into your everyday life.

Saturday

10:30 – 12:00

Solar Nova Scotia

Don Roscoe, one of Canada's most experienced solar home designers, will discuss solar for electricity, active solar for hot water and air and passive solar house design.

12:15 – 1:00

New Decorating Trends for 2009

Tower Interiors will guide consumers through the latest trends and styles in home decorating.
